

# Youth Unlimited™

## THANK YOU

Your generosity has helped Quinte Youth Unlimited (YFC) reach hundreds of youth with the Gospel in 2022! Take a look these stats and pictures of how your partnership made a difference.

We believe youth need godly people, places, and programs to move **FORWARD with faith**. With support youth will grow in faith, hope & love!

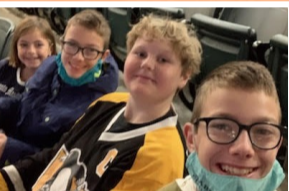

We hope this card will encourage and remind you to pray, give and get involved so QYU can share Jesus with youth today. We can't do this without you!

#### Youth Centre

We took **NW** and 2 friends from our youth centre to a local youth group. When we shared how we needed prayer for a difficult situation, he said "I will pray for you".

#### Student Outreach

We supported **BT** to reach a mile-marker in sobriety. We helped to mediate and tag in support from his mom and dad.

### FORWARD for local youth

#### Performing Arts

We watched a change from how little youth know and have heard of the Bible, to them memorizing scripture.

#### Graphic Word

**JG** got more involved and started asking for prayer. Now he helps support others too.
